Secretary

Dr Abhay Kolte

Joint Secretary

Dr Neeraj Deshpande

Treasurer

Dr Ashish S Nichani

Editor

Dr Balaji Manohar

Scientific Programme

Convener

Dr Ashokan C K

Periodontal Health Care

Convener

Dr Ashish Kumar

**“ True Guidance Is Like A Small Lamp In A
Dark Forest, It Does Not Show Everything
At Once, But Gives Enough Light For The
Next Step To Be Taken Safely “**

Post graduate education occupies a unique place. It builds on the foundation laid down during under graduate level and it results in culmination of a process in which a professional is fully equipped to face the challenges posed by explosion of knowledge and the changing health needs of the society.

A Master's degree course in the subject of periodontics aims at improving the diagnostic, non-surgical & surgical knowledge and techniques for the diagnosis and treatment of periodontal diseases. Though, learning is an ongoing process throughout life, a professional guidance shortly before the Master's exam is a kind of moral and confidence booster to excel.

Keeping this in mind, ISP Study Group – Udaipur has organised a comprehensive revision course for the post graduate students encompassing various topics which are important from the academic and exam point of view, under the aegis of the Indian Society of Periodontology

We welcome you all to this program at Venice of East, better known as City of Lakes - “UDAIPUR” on 23rd to 25th Jan 2017.

“SAMEEKSHA 2017”

Dr Ravikiran N
Convenor
Sameeksha - 2017

Dr Shalu Chandna
Program Co-ordinator
Sameeksha - 2017
